

Have a look at each card. Does it represent 9 or 10?

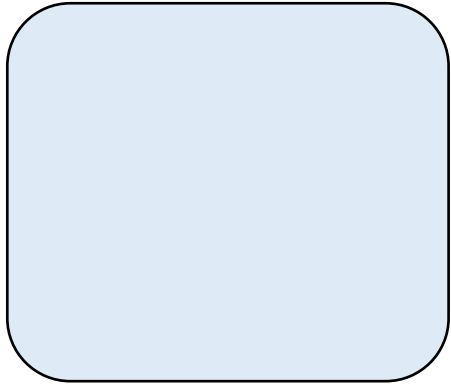

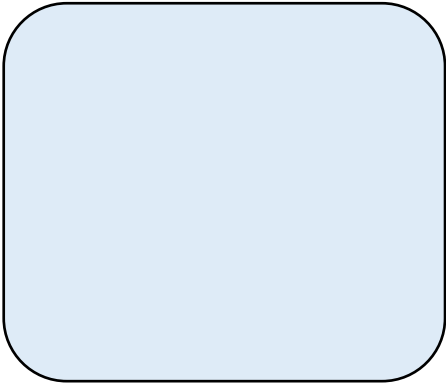

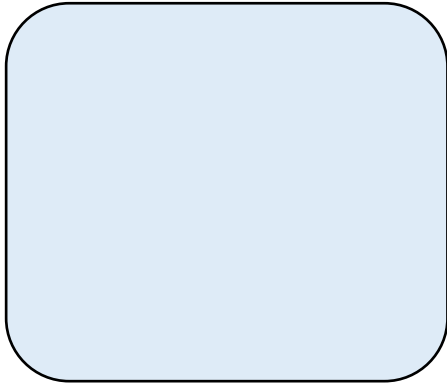

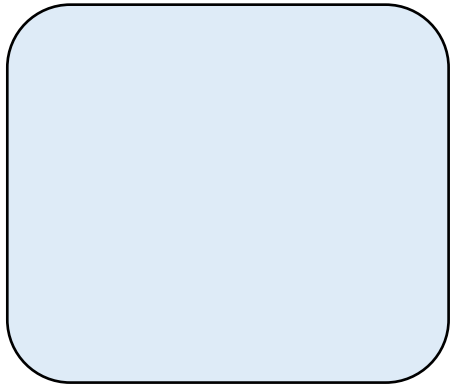

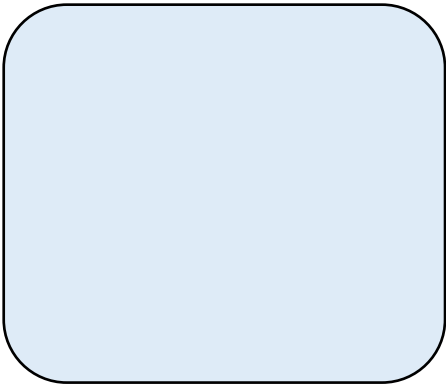

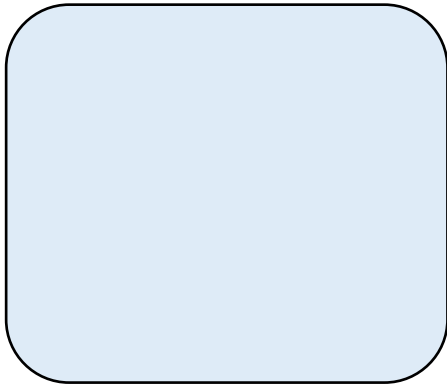

Sort the cards into two groups.

| | | |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
|  Two light blue pencil holders, each containing 10 colored pencils (5 in each). |  A green ten-frame with 9 white dots and a yellow L-shaped ten-frame with 3 white dots. |  A ten-frame with 10 dots, 9 red and 1 yellow. |
|  Two red dice showing 4 and 6. |  Two light blue pencil holders, each containing 10 colored pencils (5 in each). |  A red die showing 1 and a blue ten-frame with 8 white dots. |

Now make your own cards to represent 9 and 10

Have a go at sorting these cards too.
